Accessible Parking

Accessible parking is designated to accommodate Visitors, Staff/Faculty and Students of the University with accessible parking. Visitors, Staff/Faculty and Students must possess a valid Ministry of Transportation of Ontario (MTO) Accessible permit to use these parking spaces. In addition to having a valid MTO permit, individuals occupying these parking spaces must also provide the required payment and/or U of G parking permit required for the designated area/zone.

1. MTO Permit Requirements
1.1. Individuals or visitors, who do NOT have a valid U of G parking permit will be required to make payment via the parking meter, or paybyphone in addition to displaying a valid MTO permit.
1.2. Staff and Students are still required to purchase a valid parking permit in addition to displaying a valid MTO permit.
1.3. MTO permits will be linked to only one vehicle.
1.4. It is the users’ responsible to provide current information to obtain a parking permit. This includes any changes in address, ownership or vehicle license plate (proof of ownership may be requested). Failure to link your vehicle license plate will result in a parking violation.

2. Temporary Accessible Permit
2.1. Members of the University requiring a temporary medical accommodation (up to three (3) months), will require documentation from Occupational Health or Student Accessibility Services authorizing Sustainable Transportation and Parking Services to accommodate the short term accessible parking requirements.
2.2. A valid staff parking permit (black/orange areas) is required to park in the assigned Accessible parking spot.
2.3. A valid student parking permit (blue areas) is required to park in the assigned Accessible parking spot.
2.4. If accessible parking is required for a period exceeding three (3) months, a MTO Accessible Parking permit must be obtained.

3. Enforcement of Accessible Parking
3.1. Accessible Parking permit areas are enforced twenty-four hours a day (24 hours a day) seven days a week (7 days/week).
3.2. Parking in a designated Accessible Parking space without proper identification and/or making required payment, is subject to a parking fine of $300.00 and immediate tow away at the owner/operator’s risk and expense.
3.3. Vehicles displaying a valid parking permit, but not linked their vehicle to their parking account and/or permit will be subject to a parking fine of $30.00.
